# NETA NEWS - Summer 2023

## Newsletter Update

We are testing out a new format for the NETA Newsletter. Rather than sending out a virtual paper document, we wanted to try a format that would be easier to navigate and review at a glance. This means that the newsletter email will contain links to the items we want to present rather than the entire text of each article. Please click the links below to access each item.

## Letter from the Editor

Click [here](#) to read about updates and events from our editor Laura Rojo MacLeod

## **2023 Conference**

The survey results from this year's conference were overwhelmingly positive, and we are very pleased with the speakers who presented, all the work done by our amazing volunteers, the number of people who attended and the level of participation by attendees. Planning is already underway for the 2024 conference. You can access all of the session write-ups [here](#).

## **Monthly Meeting Notes**

Click [here](#) to read a summary of NETA's April monthly meeting on the subject of Researching Challenging Legal Terminology with Katty Kaufmann

## **NETA and FIT**

The FIT held a virtual meeting of member association presidents to discuss Artificial Intelligence in May. NETA President Diana Rhudick attended the meeting and shares a report on the discussion [here](#).

NETA Member Heidi Cazes has been selected to serve on the FIT Interpreting Committee, and she shares her experience getting started with the work they are planning to do [here](#).

## **Conversations**

Laura Rojo MacLeod sat down with Ozum Arzik Erzurumlu, a conference interpreter from Turkey and visiting scholar at UMass Amherst. You can read excerpts of their discussion [here](#).

## **June Board Meeting**

Finally, you can read the minutes of the June Board Meeting [here](#).

## Summer Picnic

The Summer Picnic was held on July 15 at the home of Heidi Cazes. Thank you, Heidi for your generous hospitality! By all accounts, a good time was had by all. Click [here](#) for the write-up.

**Do you have any comments, responses or questions on any of the topics presented here or on the newsletter itself?**

If so, please post to the NETA discussion group. You can find more info [here](#) on joining and posting. Or, feel free to write to us at [newsletter@netaweb.org](mailto:newsletter@netaweb.org).
